## PROFESSIONAL SUMMARY

Passionate and results-driven PHP Developer with 2 years of experience specializing in the Yii2 framework. Skilled in developing scalable web applications, database management, and API integration. Adept at problem-solving, debugging, and deploying applications efficiently. Committed to continuous learning and staying updated with modern development practices.

## CORE COMPETENCIES

- **Backend Development:** PHP (Yii2, Laravel), Core Java
- **Frontend Technologies:** HTML, CSS, JavaScript, jQuery, ReactJS (Basics)
- **Database Management:** MySQL (Query Optimization, Stored Procedures)
- **API Integration:** RESTful APIs, Postman (API Testing & Debugging)
- **Version Control:** Git (GitHub)
- **Hosting & Deployment:** cPanel, Amazon EC2, FileZilla
- **Development Tools:** VS Code, PHPStorm, Eclipse
- **Other Skills:** MVC Architecture, Object-Oriented Programming, Agile Development

## WORK EXPERIENCE

### PHP Developer

#### Maestro Technology Services Pvt. Ltd. | May 2023 - Present

- Developed and maintained web applications using Yii2 and Laravel frameworks.
- Designed efficient database structures and optimized MySQL queries for performance.
- Integrated RESTful APIs to enhance system functionalities.
- Worked on frontend improvements using JavaScript, jQuery, and Bootstrap.
- Deployed and maintained applications on AWS EC2 and cPanel.
- Collaborated with cross-functional teams to ensure project success.

## EDUCATION

### Bachelor of Science in Computer Science

Arulmigu Palaniandavar College of Arts and Culture | May 2019 - May 2022

## CERTIFICATIONS

- **Java Full Stack Development Course** – JSPiders Training & Development (Oct 2022 - Mar 2023)
- **Typing Certificate (Distinction Level)** – 40 WPM

## PROJECTS

### Multi-Vendor E-commerce Platform

- Developed a multi-vendor system for a travel-based e-commerce company using **Yii2** and **Laravel**.
- Implemented **OAuth authentication** and **third-party API integrations**.
- Designed and optimized database schema for seamless product and order management.

### Admin Dashboard for Web Applications

- Built a **custom admin panel** to manage users, orders, and transactions.
- Used **jQuery** and **AJAX** for a smooth user experience.
- Integrated role-based access control for enhanced security.

## KEY STRENGTHS

- Strong analytical and problem-solving skills.
- Excellent communication and teamwork abilities.
- Self-motivated and eager to learn new technologies.
- Ability to work efficiently in **agile-development environments**.

## ADDITIONAL INFORMATION

- Open to relocation and remote opportunities.
- Ability to join within a month, ensuring a smooth transition and effective contribution from day one.
- Passionate about **open-source contribution** and **tech community engagement**.
